

# Juniors' Summer Camp

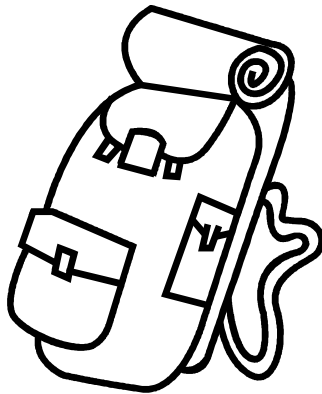

## 2011

Galway, 2<sup>nd</sup> – 6<sup>th</sup> July  
For ages 10 to 12

**Holidays** are a time for a change of activity. The Anchor Summer Camp helps you get more out of your holidays, enjoying outdoor activities, sports, friends, and, why not, to learn some history and geography of your country in a very interactive way!

**We** will camp in in the grounds of Gort Ard University Residence in Galway, who provide full catering. We will go hiking in the beautiful Connemara, visit the historic Aran Islands, search for gold and precious stones in the Aula mines, and have plenty of competitions and matches. And in and through all this, develop our human and spiritual formation. Spiritual activities at the Anchor are entrusted to the Opus Dei Prelature.
